January trial-Things going well for Jan trial. Susan reports facility is looking good and not as dusty.

Manzanita-Derede has asked everyone to get their letter in to her for supporting Manzanita Park, the meeting is Dec 16. They really need the support. It would be great if everyone can write a letter. If the county takes it over it is possible that we would no longer have Manzanita Park available for trials. It is an unknown how it would be run and taken care of.

There is one fewer trial this year with the elimination of the November trial. That was a special trial

Elections.

Running for vice president is Michelle Pressel

Running for board members are Roberta Troxell and Katrina Parkinson

These are the winners!

Thank you Rob Michalski and Margaret Grinois for your service as a board member!

The meeting adjourned at 5:05pm
