

SMART December 28 – December 30, 2019 USDAA General Information

Check in Schedule, Check in ONLY on your first day

Check-in/measure-in each day 7:00-7:30AM

Walk thru, first dog each day 7:45, 8:00AM

You must check in if you haven't yet submitted proof of permanent height class assignment (either with this entry or for a previous SMART trial). Emails of scans of proof of your permanent card are also accepted.

There are 229 dogs entered (800 runs on Sat, 801 runs on Sun, and 719 runs on Mon... that's 2320 runs over 3 days!!!). There shouldn't be any conflicts between the two masters/tournament rings because we'll be running them in rotation groups. Conflicts between the masters rings and the non-masters ring should be resolved by putting a "C" (for conflict) by your name on the masters/tourney ring running order – give priority to st/adv classes – since there's so much room to move you around in the masters/tourney class. Except for masters snooker, of course, as always.

If you want to get home before your bedtime, we'd be hugely in your debt if you personally invested yourself in helping us out:

1. Volunteer to set poles or run scribe sheets. It can't be overstated how much faster a class goes if more people jump up quick as a bunny and pitch in EVEN IF ONLY FOR TEN MINUTES. Seriously. And THIS TRIAL, of all trials, is the place to see for yourself. Be That Awesome Person!

2. LISTEN to announcements about where your group should be when!

3. Check in *early and often* at the rings you're running in and inform the gate stewards as *soon as you can* about possible conflicts.

4. **Stay within shouting distance of your gate steward when you are within 5 dogs of running.**

LUNCH

Roger Ly is doing lunch!!! I don't know what it is, but it will be amazing! Vegetarian options guaranteed. Please set a bar, or run a leash to get free lunch each day. If you haven't experienced a Roger Ly lunch, be prepared to be amazed.

Potluck desserts: Please bring a dessert to share. We will need desserts each day. Bring all those Christmas cookies and let others have the calories! Christmas pie, the SMART family will indulge. Last year this was a huge hit, let's make it a tradition!

Workers: check out the White Boards!

We aren't creating worker schedules in advance except to position a couple full-timers. We're going to be trying the "Dozen Dog method", wherein we have faith that people will step up whenever they have a moment to work for a dozen dogs' runs. People will be able to step down when their moment is passed, if the next person steps up.

Every time you work, you'll get tickets for the Workers Raffle that take place at the end of each day. And did I mention the free lunch? And extra good karma luck on your runs?

We don't have many full-timers, so brush off your timing/scribing hats and jump in anywhere you can, even just for a few dogs.

MAPS

Course maps will not be printed for distribution at this trial. Copies of all course maps will be posted in a central location and each ring will have its maps posted nearby. In addition, Katrina will email all competitors copies of the maps for the following day just before she goes to bed. This will likely be between 10 and 11pm. If your life is ruined by not having a paper map, please see Katrina, she will be able to print a limited number onsite. Please be aware that this may not be available until the score tables are set up in the morning.

Mulligans

We hope to offer these on standard type courses but need to see how the trial is running due to the high entry. Attend the general briefing each morning for details. Fix and continue will apply in all numbered courses **except pairs**.

NO BARKING DOGS

Be aware that this location is in a residential area. We do not want to lose this location. If your crated dog barks in the crating area or in your car, we will give you one opportunity to quiet your dog. If the barking continues, you will be asked to leave. No refunds will be provided. This pertains to RV people as well as day competitors.

Scoring, Questions, Problems

We will post the results of your runs near the score tables, usually within minutes of your run. Please DO check them right away if you have any questions about your run, or if it's a leg of particular importance to you. It's true the score table is a busy place that needs to do its job without unnecessary interruptions; however it is also true that *you* are our only reason for doing this.

If you have any questions or problems (TP in the bathrooms, running order, scoring issue, rules question, etc.) or *feedback*, feel free to seek out trial chair Vici Whisner or trial secretaries Katrina Parkinson and Penni Price or trial committee members or SMART members. Our job is to keep you happy!

For entry questions/corrections close to or during the weekend when you aren't certain I'll read my email, feel free to text/use Katrina's cell phone 415-336-4672.

Bitches in Season

In accordance with SMART's BIS policy, BIS must wear panties at all times (including while running) when inside the arenas. Please potty them well away from the ring areas. Please let the secretary know and mark BIS on the gate sheet. BIS will run in order. As of now (12/24), no BIS have been declared.
