 SMART Prunedale, CA Evelyn Robertson

There are 4 reds on course; you must attempt all 4. In the opening, combinations (6a/b, 7a/b) may be taken in any order, any direction, except for the teeter. In the closing, everything is to be taken as marked. #2 remains bidirectional, and 6a to 6b is indeed a threadle.  
 Times: CH 22/26" 51 sec, CH 16" 52 sec, CH12" 54 sec. Performance add 2 sec (53, 54, 56).
