On-Site RV Parking

Anyone staying overnight at the trial site MUST complete the RV Reservation Form elsewhere in the premium. Overnighting will only be permitted by advance reservation, and spots will not be pre-assigned (on the day of arrival they will be on a first-come first-served basis). Areas will be designated (Class A area, tenting area, no-generator zone, etc.).

If you arrive before NOON on the day before the trial, be prepared to be relocated after the RV chief arrives at noon to take charge. THANK YOU for your cooperation!

Cost is \$25 per night. Make checks payable to SMART and include with your RV Reservation Form.

Tightened-up overnighter "in and out" rule

Be aware that any (that means ALL) vehicles parked on the RV lawns must stay there for the duration. **They may not come and go.** Manzanita Sports Complex is asking us to prohibit "in and out privileges" to limit through-traffic damage to the grass. This rule applies to Class A lifeboats, the truck that tows your trailer, and your friend's car that otherwise might want to share your reserved space. If the vehicle might be used to go out to dinner, it may not return to its grassy parking place afterwards, you must park it in the parking lot.

Manzanita Park & Area Details

The site is outdoors on grass with no shade.

NO CARS ARE ALLOWED ON THE GRASS AT ANY TIME - EVEN TO LOAD / UNLOAD.

Alcoholic beverages are not permitted within the park. You may imbibe inside your RV or tent. **Under no circumstances should you place your empty beer/wine/liquor bottles or cans in the recycle or trash containers.** Please take them home with you (to recycle of course!). It is extremely important to follow this rule. We want to continue to use this site!!!

This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at www.usdaa.com.

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

Refund Policy

There shall be NO REFUNDS for entries withdrawn after the closing date for acceptance of entries, for absentee, dismissal from the event as a result of disciplinary action, dismissal from a class, or for any other reason. Also, no entry fees will be refunded if the event cannot open or be completed by reason of riots, civil disturbances, acts of terrorism, fire, "act of God", public emergency, strike, or any other cause beyond the control of the host organization.

Submission of Entries with Secondary Move-Up Date

All entries or cancellations must be received at the Secretary's address no later than the closing date, after which time no entries will be accepted or cancelled. For entries received by the closing date, the level of entry into a given class may be advanced by notifying the Secretary in writing via email by the "Secondary Closing Date". No other changes, cancellations or additions may be made after the initial closing date.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

General Entry Conditions

The competitor may not change their entry from one program to another (e.g., from Championship to Performance).

Volunteer Information

Volunteer Information

This trial is designed with volunteers in mind!

- THREE rotation groups in TWO rings, so when your group is off, you can work with peace of mind knowing that you're not missing any runs or walk throughs. All your dogs (Pf and Ch, small and large) will run in the same rotation group, and you'll have plenty of time after working to get your dog(s)
- Training for Newbies - ten minutes between rotations allows even first-time scribes, timers, gate stewards to learn how it's done. It's easy, and experienced "mentors" will help you learn.
- A great raffle, scoretable snacks for workers, a free lunch if you've worked at least two classes - most importantly, the tremendous gratitude of SMART and your fellow competitors. Without YOUR HELP, this trial could not proceed!

Remember that putting on an agility trial requires a LOT of volunteer man-hours, behind the scenes and day-of; your entry would be MUCH more expensive if we had to pay for the work our volunteers now do. Please, competitors: since all the people volunteering are essentially subsidizing your entry, do YOUR part as a key component of the TEAM that makes this agility trial possible!

SMART Worker Perks & Raffle

Workers will receive lunch and beverages along with raffle tickets. Raffle tickets are for our great worker raffle to be held on both Saturday and Sunday. If you can help with set-up or breakdown (on Sunday), we will be giving away free-run certificates.

Please let us know if and when you'd like to volunteer to work, or if someone coming with you to the trial is interested in enhancing their spectator experience by volunteering:
