This event will be held under USDAA® Official Rules and Regulations, a copy of which may be viewed and printed online at www.usdaa.com.

Policy on Refusal of Entry

The Organizing Committee of an event may refuse the entry of any competitor or dog for just cause should the Committee view that participation by the competitor or dog could be prejudicial to the sport. However, in such case, the Committee must notify the competitor in writing upon receipt of entry, but in no case, more than three days following the event closing date for acceptance of entries. The burden of responsibility for the appropriateness of such action rests solely with the host group and its Organizing Committee.

NSF Check/Credit Card

Any check or credit card that is charged back by the bank or other financial institution may be assessed a service charge of up to \$40 per incident at the discretion of the host group.

Returned checks or credit card returns do not constitute a valid entry. Amounts shall be paid within 30 day of postmarked notice of the returned payment if such date follows the event date. Any fees not received within 30 days of notice will result in cancellation of event results for all classes related to the entry for which payment was made. No reinstatement of results is possible, and all awards must be returned within 10 days of notification or the dog's registration may be suspended pending restitution.

Any unpaid fees or shortfalls must be paid prior to the start of the event, or entry is canceled without recourse.

To be accepted, entries must be complete, signed (by parent or legal guardian if handler is a minor), received by the closing date and accompanied by the correct fees and include a valid USDAA registration number on a completed registration form.

Next-Day Move-Ups Allowed At This Event

Competitors earning a qualification during the Event that is needed to complete a title may advance their level THE NEXT DAY at the same event, i.e. move-ups on consecutive days ARE allowed.

Competitors are responsible for keeping accurate records of their qualifying scores and the judges from whom these scores were earned prior to this event to ensure that the dog is eligible to move up based upon scores earned at this Event. Competitors are advised to confirm scores earned with the scorekeeper and judge at the conclusion of a class to ensure the qualifying score has been accurately calculated and awarded in accordance with regulations. If for any reason it is determined that the score or previous scores were inaccurate, making the entry ineligible for the higher level class, any results (including awards) shall be forfeited and the entry will be deemed invalid without refund or other recourse.

Move-up forms supplied by this event must be used to notify the secretary BEFORE she leaves the site the day on which you earn your title.

Titling Class Rules & Descriptions

One or more titling classes shall be held at this Event from those described in Chapters 3 - 8 of USDAA Official Rules & Regulations, which are downloadable from www.usdaa.com/rulesReg_eBook.cfm, and any amendments there to, which are downloadable from www.usdaa.com/rulesReg.cfm, each of which are hereby incorporated by reference.

Veterans Program Classes

Veterans level classes offered at this event are open to a competitor with any dog that is at least eight (8) years of age as of the first day of this event. Previous experience in the sport sufficient to establish proficiency and confidence in performance is strongly encouraged. Once a competitor has earned a qualifying score with a dog in a Veterans class, the dog is no longer eligible to enter that class in the Championship or Performance Programs when a Veterans class is offered. Complete program rules can be found at www.usdaa.com/rulesReg_eBook.cfm which are downloadable from www.usdaa.com/rulesReg.cfm

Veterans Pairs Relay / July

This non-titling non-qualifying class is for dogs that are eligible to enter USDAA Veterans titling classes, who are not otherwise entered in any pairs relay class on the day they are entered in this class. Entering this class has no affect on the dog's future eligibility to enter titling pairs relay classes.

This class is run on the Masters/PIII Pairs Relay course, with the equipment set to Veterans specifications (vet jump heights, no spread jumps, vet AFrame height), judged with Masters rules. SCT for this class will be the Masters Mini Pairs SCT time plus 6 seconds.

Dogs entering this class must specify a veteran dog partner on the entry form, and the partner may be any jump height (vet pairs is not divided into open and mini divisions) NO DRAW ENTRIES will be accepted for this class: you must specify your partner on the entry form.

Masters Challenge Classes

Competitors who have completed the Masters titles in Standard or Jumpers are eligible for entry to the Masters Challenge class. They may also continue to enter the regular classes in Masters and PIII classes, unless stipulated otherwise in the Agility Test Schedule. Competitive placements in the Masters Challenge Standard and Jumpers classes accumulate points for annual ranking for Agility Top TenSM and Performance Top TenSM.

Team & Versatility Pairs Measure-up Policy - FEO

The handler of a dog entered in Team or Versatility Pairs that is required to jump a higher height by virtue of the judge's measurement must notify the secretary immediately. Should the higher jump height make the dog ineligible for their team (three jump heights), the secretary will make every effort to form complete teams from available dogs. The dog may not be moved to Versatility Pairs.

In the event the competitor is unprepared to run their dog at the higher jump height, they may run in the tournament For Exhibition Only. No member of the Team or Pair may earn a tournament qualification, but Team or Pairs partners are eligible for individual placements, tournament top ten points and Lifetime Achievement Qs in the individual tournament classes.
