

# Agility on the Greens VIII

## SMART July 15-17 2016 USDAA Trial General Information

### Check-in Schedule (check in only once before your first class)

**FRIDAY:**  
Check-in, measure-in: 9:15-9:45am  
Walk, run: 9:45, 10:00am

**SATURDAY/SUNDAY:**  
Check-in, measure-in: 7:15-7:45am  
Walk, run: 7:45, 8:00am  
Saturday Weave Challenge starts at: 6:00pm

❖ You must check in if you didn't send in your permanent height card with your entry. Emails of scans of your yellow card are Generally accepted up until Wednesday before the trial.

There will be three rings. There are 229 dogs entered with 2053 runs (409 Friday, 933 Sat, 711 Sun). There shouldn't be any conflicts because the masters/tourney classes are running in rotation groups (the smaller St/Adv classes take priority). How can you have a low-stress weekend and maybe even have time to kick back and enjoy the 4-star scenery and food and drink while setting poles?

1. LISTEN to announcements about changes in jump height order!
2. Check in *early and often* at the rings you're running in and inform the gate stewards *as soon as you can* about possible conflicts.
3. Volunteer to set poles or run scribe sheets. Jump heights will be juggled to minimize conflicts so workers will be at a premium, and appreciated more than ever!
4. *Stay within shouting distance of your gate steward when you are within 5 dogs of running.*

### PARK RULES

York School is being extremely generous and welcoming of our event! Let's make them think we are the best tenants in the world! BBQ'ing over coals is NOT ALLOWED. Propane-powered is allowed. Please be fanatic about cleaning up after your dog (or anyone else's).

### WEAVE CHALLENGE

Day-of signups (and \$10 payment) will be accepted by Karey or Ernie or Katrina on Friday and Saturday up until the end of the last class in the St/Adv ring on Saturday. The challenge will begin at 6pm on Saturday. GREAT PRIZES by Ernie!

### FOOD & DRINK

Our tireless chair Ernie is arranging food vendors for all three days for lunch, AND for dinner on Friday and Saturday. Workers will be given vouchers good towards a lunch discount. Lunch will be served from 11am-1pm and dinner from 4pm-6pm.

Drink responsibly so that York School invites us back!

### If you need a 24-hour Veterinarian

Pet Specialists Of Monterey will be staffing an on-site station throughout the weekend, and their 5-minutes-away off-site contact info is here:

<http://thepetspecialists.com>, 831-899-7387  
451 Canyon Del Rey Blvd, Del Rey Oaks CA 93940

### Worker schedules at the rings

Our tireless worker scheduler Katrina should have preliminary worker skeletons published by early next week, check them out! Whiteboards will be at each ring on which to sign up to work day-of, for which we will be in your debt.

Every job you work entitles you to an entry in the workers raffle that will be drawn at the end of each day. And did I mention a discounted lunch? The discount is 100% if you work two or more shifts.

### Directions

York School 831-624-2888, [www.york.org](http://www.york.org)  
9501 York Road Monterey CA 93940.

**Directions from highway 101 in Salinas:** Travel west on Highway 68 past Toro Park, Laureles Grade, Laguna Seca Raceway, and Laguna Seca golf course until you reach the signal light at York Road. This will be about 10 miles. Turn right and proceed up the hill. The driveway to the School will become visible shortly after York Road rounds to the right at the top of the hill. Look for the big York School sign. You can't miss it.

**Directions from highway 1 in Monterey:** Travel east on Highway 68 driving past Monterey Airport, the junction with Highway 218, and Ryan Ranch Business Park until you reach the signal light at York Road. This will be about 3.5 miles. Turn left and proceed up the hill.

### RV'ing and overnighting: 2PM Thursday arrival time

If you haven't made your advance reservation to camp on site, please contact us ASAP at [kek@bumpsays.com](mailto:kek@bumpsays.com).

RV's may begin arriving and setting up in the RV area at 2:00 p.m. on Thursday. Check in with the RV check-in person when you arrive. If you arrive before this, please park in the dirt day-parking lot until the RV check-in person arrives. The RV check-in person will direct you to your assigned parking area. Spots will be first-come-first-served and will be grouped approximately by generators and no generators, and you may save the spot next to you for a friend. There are no hookups and no services.

Who can park in the RV areas? RV's and overnighters are permitted ONLY on an advance reservation basis.

Who must park in the regular parking lot? Any vehicle that does not have a SMART-issued RV permit on their dashboard.

What about driving in and out, if parked with the RV's, like for dinner and stuff? Lawn driving is being minimized: once you drive onto the lawn, if you then leave, you may NOT return to the lawn. So, heads up, all you tenters with cars to come and go in!

### Thursday Setup Timeline!

2PM Setup starts

Workers and RV's who are helping with set-up are welcome at this time. First choice crating and our undying gratitude! RSVP to [kek@bumpsays.com](mailto:kek@bumpsays.com) if you can come!

6PM Setup ends

Non-workers and non-working RV's are welcome at this time.

### Scoring, Questions, Problems

We will post the results of your runs near the score tables, usually within minutes of your run. Please DO check them right away if you have any questions about your run, or if it's a leg of particular importance to you. It's true the score table is a busy place that needs to do its job without unnecessary interruptions; however it is also true that *you* are our only reason for doing this.

If you have any questions or problems (TP in the bathrooms, running order, scoring issue, rules question, etc) or *feedback*, feel free to seek out trial chairs Ernie Mill and Katrina Parkinson or trial secretaries Diana Wilson and Karey Krauter or trial committee members or SMART club members. Our job is to keep you happy!

To contact me/Karey close to or during the weekend when you aren't certain I'll read my email, feel free to use my cell phone 650-906-5146.

### Running Orders

The running order catalog for this trial will be made available online at [www.smartagility.com](http://www.smartagility.com) (where the premium was), in the week before the trial (including your rotation group assignment). Hardcopies will NOT be available at the trial.
