

HONOR RUN FOR VETERAN DOGS

10 YEAR ANNIVERSARY CELEBRATION

Thank you for
helping SMART
celebrate its'
10th anniversary
by letting us
honor your dog.

On Saturday, August 25, SMART would like to honor the agility dogs who have for most of the last 10 years been the reason SMART and its sister clubs exist.

If you have a veteran dog ten years of age or older, please consider participating in this "Honor SMART's legacy" run. This will be an abbreviated agility run without contacts (or if you wish, just walk into the ring with your dog) during which time an announcer will read your dog's achievements over the PA. No other rings will be running during this time, so you don't have to worry about conflicts, and everyone at the trial will be on hand to cheer on our older dogs.

Entry is free and each participating dog will earn a certificate of merit and a gift as SMART's way of acknowledging lifetime effort and achievement.

Please send email or snailmail the form below (as well as any questions you might have) to:
