

#6 must do a then b in opening

#7 must begin with jump in opening then any other element of 7 to proceed  
 If you start with a tunnel for seven in the open you will hear a whistle when you do the second obstacle.

Everything else is bi directional

If in the opening you do any obstacle in a combo more than the intended amount, complete the combo for no points and continue.

All must be taken as numbered in close

Open dogs=53sec 16/18=54sec 12/14=55sec Perf+2sec Vets+4
