

SMART Aug 26-27 2017 USDAA

	Check-in:	Walk:	Run:
SATURDAY	7:15-7:45am	7:45am	8:00am
SUNDAY	7:15-7:45am	7:45am	8:00am

❖ You must check in if you didn't send in proof of height card certification with your entry. You must measure in if your blue temp card isn't fully signed out.

There are 191 dogs entered, 1450 runs for the weekend. You shouldn't have conflicts, so you will be assigned to rotation groups that never have to be more than one place at a time. So, how can you personally contribute to a stress-free weekend that ends before dinnertime?

- LISTEN to announcements about where you should be when!
- Check in *early and often* at the rings you're running in and inform the gate stewards *as soon as you can* about possible conflicts.
- Volunteer to set poles or run scribe sheets.
- **Stay within shouting distance of your gate steward when you are within 5 logs of running.**

PARK RULES so we don't get KICKED OUT!

NO ALCOHOL. This park is run by a youth recreation league and MUST HAVE NO ALCOHOL, and in particular MUST HAVE NO SIGN OF ALCOHOL having been consumed: not in your hands (use cups!), not in the trash (take it home with you!), not in the recycling, and not in the litter around our RV's. Last time we were pretty good about keeping our trash guilt-free, thank you very much, let's keep up the good work! Be aware the park ranger will be patrolling around throughout the weekend and especially during happy hour.

NO BBQ'ing. Coals are NOT ALLOWED. Propane-powered is allowed.

NO dog exercising. New this year: no dogs allowed on the lowest soccer field! And, no dogs may be walked below the main parking lot, down the road to the BMX area below.

NO recycling. We are only allowed to generate a certain amount of non-recyclable trash so PLEASE be compulsive about separating out your recyclable cans and plastic water bottles. We will have recycling bags at every trash can but you might also consider taking home your recyclables and helping out your local city recycling program! Better yet, re-use your plastic water bottles (or don't use them at all).

NO overnighters: no in-and-outing: You may only drive onto the lawn for overnight parking once at the start of your stay, and drive off of it once at the end of your stay. Once you have left the lawn (like for dinner or something), you may NOT return to it and must park out in the parking lot.

NO ALCOHOL. Did I mention this?

NO FOOD

Sorry, no plans for morning hospitality! Nearest Starbucks is at the Safeway that is at the next exit south on 101. A lunch spread is being prepared by a club member, free to anyone who works, so set a pole! No other food will be available on-site.

NO WATER

Please bring your own water bottles!

Workers: check out our White Boards!

Our workers are saints: tell them so when you walk by one this weekend! Worker schedules for each ring will be posted at each ring every morning on dry-erase white boards. Throughout the weekend, DO feel free to erase your name if you can't work on assignment, or fill in your name if you find yourself with idle hands!!! You know what they say about idle hands. Every job you work entitles you to tickets to our workers raffle. And did I mention free lunch?

RVing and overnighting, parking

RVs may begin arriving and setting up in the RV area at 2PM on Friday. Check in with the RV check-in person when you arrive. If you arrive before this, please park in the regular parking lot until the RV check-in person arrives. The RV check-in person will direct you to your assigned parking area (RV's with generators, without, vans and tenting, the area where you can save an adjacent spot for friends); parking is first-come-first-served within those areas. There are no hookups and no services.

Who can park in the RV areas? RVs and overnighters are permitted ONLY on an advance reservation basis. If you need to overnight at the trial site and have not submitted a reservation form or fee, contact maddiemalcolm@gmail.com ASAP.

Who can park on the road surrounding the agility field? Trial committee and key workers, overnighting or day parking, by advance arrangement only, may park on the dirt road surrounding the agility field.

Who must park in the regular parking lot? Any vehicle that does not have a permit to park on the RV fields or on the road around the agility field.

Friday Set-up 2PM: RSVP to maddiemalcolm@gmail.com

Here's the Friday set-up timeline:

- 2PM RV's may start arriving
- 2PM People helping with Fri course building can arrive to work and set-up.
- 4PM People not helping with set-up can arrive and set-up their stuff.

If you can help with Friday set-up, we'd love to have you! Set-up workers get first priority for ringside camping spots and our undying gratitude. Come throw down a mat to save your ring-side crating spot, and then help with set-up. We would very much appreciate it if you help with ring set-up before completing your own set-up – your saved spot will wait for you.

Please do NOT arrive at the park before 2PM Friday.

Next-day Move-ups!

Yes! If you title any day and want to move up the next day, we will have move-up form at the starters/advanced ring. Move-up requests must be turned in within 15 minutes of the end of the last class of the day.
