

# SMART July 19-July 21, 2019 USDAA General Information

<b><u>Check-in Schedule (check in only on your first day)</u></b>	
<b>Check-in/measure-in (all days)</b>	<b>7:00-7:45AM</b>
<b>Walk thrus, first dog</b>	<b>7:45, 8:00AM</b>
You must <b>check in</b> if your confirmation says "no height card on file". If you have a certified height, bring either your plastic permanent height card or a screen shot of your USDAA dog record.	

There are 190 dogs entered, 1797 runs. There shouldn't be any conflicts between the two masters/tournament rings because we'll be running them in rotation groups for most classes. Conflicts between the masters rings and the non-masters ring should be resolved by putting a "C" (for conflict) by your name on the masters/tourney ring running order – give priority to Adv/St classes – since there's so much room to move you around in the masters/tourney class (even if you need to run with the other group). Except for masters snooker, of course, as always.

If you want to get home before your bedtime, we'd be hugely in your debt if you personally invested yourself in helping us out:

1. LISTEN to announcements about where your group should be when!
2. Volunteer to set poles or run scribe sheets.
3. Check in *early and often* at the rings you're running in and inform the gate stewards *as soon as you can* about possible conflicts.
4. Stay within shouting distance of your gate steward when you are within 5 dogs of running.

## **LUNCH**

Lunch FOR WORKERS will be provided (no other food is available on-site). Roger and Diana are collaborating - rumor has it that in addition to sandwich options and mac-and-cheese all days, the following will be featured: Fri-Mediterranean chicken and rice; Sat-Nacho bar; Sun-fried chicken. If these options don't meet your needs, there is a Safeway (with deli) about 10 minutes away. Make time to stop by your morning beverage on your way in, no plans for coffee on site.

## **Workers: check out the White Boards!**

We aren't creating worker schedules in advance. We're going to be trying the "Dozen Dog method", wherein we have faith that people will step up whenever they have a moment to work for a dozen dogs' runs. People will be able to step down when their moment is passed, if the next person steps up.

Every time you work, you'll get tickets for the Workers Raffle that take place at the end of each day. And did I mention the free lunch? And extra good karma luck on your runs?

## **PARK RULES so we don't get KICKED OUT!**

NO ALCOHOL. This park is run by a youth recreation league and MUST HAVE NO ALCOHOL, and in particular MUST HAVE NO SIGN OF ALCOHOL having been consumed: not in your hands (use cups!), not in the trash (take it home with you!), not in the recycling, and not in the litter around our RV's. Last time we were pretty good about keeping our trash guilt-free, thank you very much, let's keep up the good work! Be aware the park ranger will be patrolling around throughout the weekend and especially during happy hour.

BBQ'ing. Coals are NOT ALLOWED. Propane-powered is allowed.

Recycling. We are only allowed to generate a certain amount of non-recyclable trash so PLEASE be compulsive about separating out your recyclable cans and plastic water bottles. We will have recycling bags at every trash can but you might also consider taking home your recyclables and helping out your local city recycling program! Better yet, re-use your plastic water bottles (or don't use them at all).

## **Scoring Questions, Problems**

We will have monitors displaying real time results or ringside scoring sheets for all rings, and we will post the results of your runs near the score tables, usually within minutes of the end of the class. Please DO check right away if you have any questions about your run, or if it's a leg of particular importance to you. It's true the score table is a busy place that needs to do its job without unnecessary interruptions; however it is also true that *you* are our only reason for doing this.

If you have any questions or problems (TP in the bathrooms, running order, scoring issue, rules question, etc.) or *feedback*, feel free to seek out trial chairs Katrina Parkinson and Roger Ly or trial secretaries Holly Newman and Tracy Duncan or trial committee members or SMART members. Our job is to keep you happy!

For entry questions/corrections close to or during the weekend when you aren't certain I'll read my email, feel free to text/use Holly's cell phone – 707-696-7623.

## **Next-day Move-ups!**

If you title any day and want to move up the next day, we will have move-up forms at the starters/advanced ring. Move-up requests must be turned in within 15 minutes of the end of the last class of the day.
