

There are 4 reds on course; you may attempt 3 or 4 reds.

All obstacles are bi-directional in the opening. Combinations may be taken in any direction, in any order.

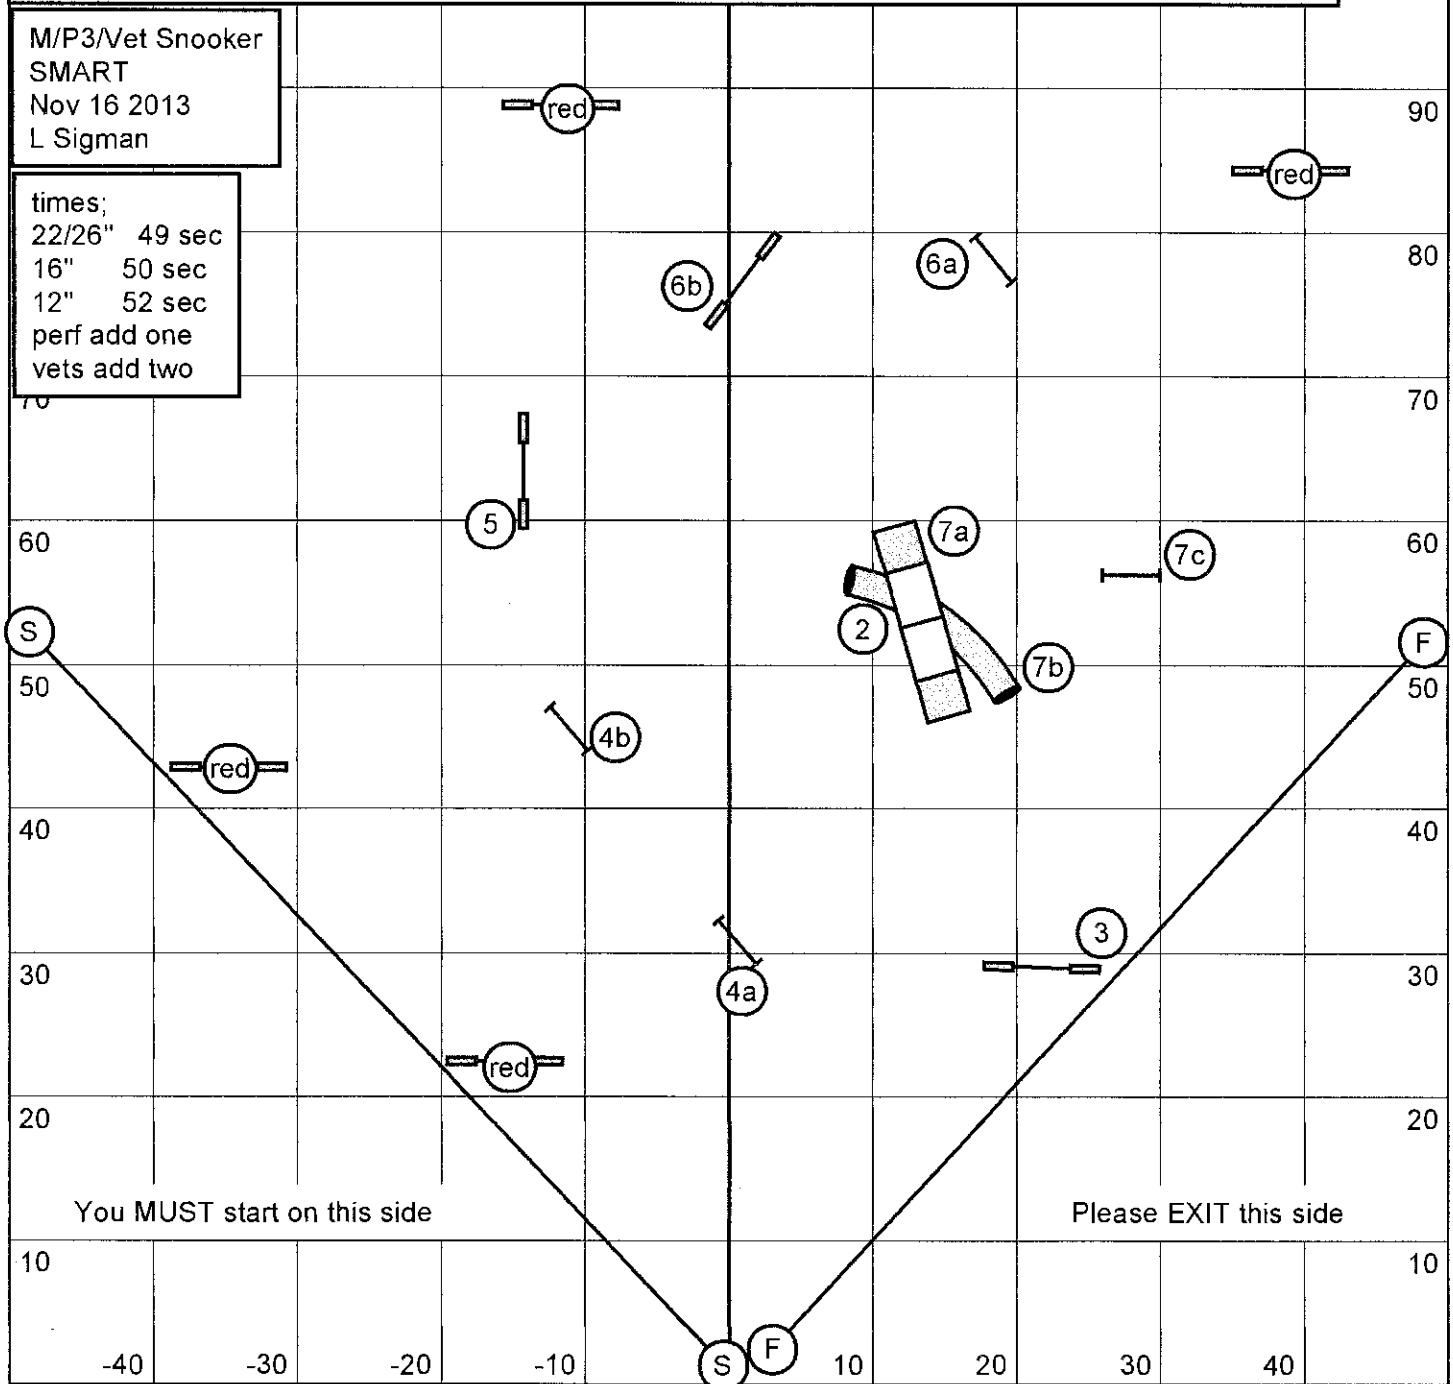

#7 has 3 parts. In the opening, you must do two parts only, and the first three attempts at 7 must be a new combination (ie, jump/tunnel, jump/aframe, and tunnel/aframe). A fourth attempt at 7 may be any two parts.

In the close, all obstacles must be taken as indicated, and #7 is JUST the Aframe!
